## NO JOKE- OUR APRIL MEETING IS APRIL 1!

Our April meeting will be on April 1- the first Friday of the month rather than the usual second Friday. Because the president and vice president both cannot attend a meeting on April 8, the decision was made to move our meeting up one week.

We will be having our Officer Installation for the Board of Directors who were elected at the March meeting. Keith S. will also be speaking on "Numismatic Thorns". I take that to be about those pesky coins you can't find to finish that one spot in your collection, but we shall have to wait and see.

Please see article below about masking requirements.

We will have the meeting available over Zoom for those who are unable to attend in person. Below are the meeting log in details:

## Masking at the Meeting

The County of Santa Clara has declared for now that masks are only strongly encouraged in indoor settings for vaccinated people. At our club meeting for April, masks are not required but are strongly encouraged for those who are vaccinated against COVID. Masks are required for those who are not vaccinated.

## NNP Symposium!

The Newman Numismatic Portal (NNP) Symposium will be held April 8-10, 2022. The event is completely online via Zoom so anyone can attend from anywhere in the world. It's all free as it is sponsored by the Eric P. Newman Numismatic Education Society.

As an attendee, you may watch as many presentations as you would like. There is also a Q&A with each presenter after each talk. You may register at [nnsymposium.org/for-attendees](http://nnsymposium.org/for-attendees).

If you are super knowledgeable in numismatics and would like to

present a topic, the NNP Symposium is also looking for speakers. You would have a one-hour time slot. If you need training on presenting via Zoom, they provide that as well as a facilitator to help you keep things running. To apply to be a presenter or learn more about it, visit [nnp Symposium.org/for-presenters](http://nnp Symposium.org/for-presenters).

## Speakers Needed!

We are in need of speakers for our upcoming meetings. Almost every month a speaker is featured at our monthly meetings, speaking on a topic of interest. Do you have a topic you have been wanting to share with everyone? It can be anything numismatic or exonumismatic. Presentations should be about 10-15 minutes in length. If you are interested or would like more information, contact the Program Chair at [cupertinocoinclub@gmail.com](mailto:cupertinocoinclub@gmail.com).
