It's Heating Up for June!

The weather seems to be getting a bit warmer as we head into summer and our June meeting. Our meeting will be Friday with Other Hobbies Night. Here is your chance to bring in something other than numismatics. Please note that Other Hobbies is separate from Show and Tell, and there will be two different sign up sheets.

A big thank you goes to this month's refreshments sponsor- **Bill Hu.!**

If you can't attend in person, here are June's meeting log in details. Remember the link will change every month.

ANA Board of Governors Elections

by: Suzy Tr.

In the June 2023 issue of The Numismatist, you will see the ANA Boards Bios for this year's election. Every Association member entitled to vote should have received an election ballot via the US Postal Service or email. Please read the bios and encourage other ANA members to do the same. Cupertino Coin Club's Treasurer and San Jose Coin Club Member Emile Mestressat is running for a Board Governor position. Link to the Candidate Forum, which he participated in: <https://www.youtube.com/watch?v=2gik8YHw8pg&list=LL&index=3&t=3371s>. Emile would appreciate your vote which would allow him to help keep the hobby moving forward on the National level. The ballots must be received by the tabulating firm by June 30th. Thank you!

Don't Forget About the Picnic!

Our Annual Picnic will be on Saturday, August 12. It will be at Las Palmas Park in Sunnyvale where we will enjoy BBQ hot dogs and the such. We will need everyone to bring a potluck item like chips, salad, or dessert. Be on the lookout for the reservation form!

Submit Your Medal Design!

The rules were changed to have our medal design contest at our June meeting so if you did not get a chance to submit a design, you may turn one in at the June meeting. Don't mail it because it most likely will not be received in time. If you want to submit a design, please read the rules below:

- Members in good standing are eligible (all dues paid and current).
- The design must be on unlined paper in a circle of six to eight inches.
- The subject matter of your reverse design may be in the form of a single photo, postcard, or group of drawings in one design.
- You may submit an explanation of your design.
- You may submit a maximum of two designs.
- The designer's name or initials may not appear on the design or design explanation. Initials will be added to the winning design.
- If your entry is of a private, commercial, trademarked, or copyrighted subject matter, then you must obtain written permission from the rights holder. If permission is not granted, then the runner-up design will be used.
- The following information must be placed on the design: "50th Coin Show" and "St. Joseph of Cupertino Church". Because we don't yet know the date of our 2024 show please insert just the year 2024 into your design. We reserve the right to add the full date of the 2024 show once it has been decided upon and confirmed with the location.
- In the event of identical design submissions, the first design submitted will be entered in the design contest.
- The winning design becomes the property of Cupertino Coin Club and will not be returned. All other entries will be returned. The Cupertino Coin Club Board of Directors reserves the right to modify the winning design to meet the requirements of the minting process. Any modifications will be cleared with the designer.
- The winning designer shall receive one copper medal of their design as the winner's prize.
