Cupertino Coin Club will have their general meetings online over Zoom and in person at St. Joseph's Church of Cupertino, located at 10110 N De Anza Blvd in Cupertino. All meetings start at 7:30 pm. Meetings feature an auction, show & tell, and drawings plus a speaker or presentation.

**Guests & youth are
welcome!!**

Come to the November Meeting!

Some may have received news that we would be back at the church in October, but in the end we were not able to meet there in person so many apologies if anyone arrived to an empty meeting room. For November, though, we are back in person at St. Joseph's Church! This means we will once again have our auction and drawing, plus prizes will be handed out as they are won! Plus, Joe M. will be speaking on Irradiated Dimes.

For everyone's safety, masks must be worn at all times. Proof of vaccination must also be shown. A list will be generated so you will not have to show proof at every meeting or event. If you already provided proof to attend the banquet, you don't need to bring it again to the meeting. Food and drink are not allowed with the exception of bottled water.

We will have the meeting available over Zoom for those who are unable to attend in person. Below are the meeting log in details:

2021 Banquet a Success!

by: Suzy Tr.

Thank you to the 27 club members and guests for making this year's banquet at Three Flames Restaurant on October 24 a success, despite the bomb cyclone. All who participated enjoyed a delicious meal, friendship, and fun. Club President Gran G presented the President's Thank You gifts to those who have helped in one way or another keep our club running over this past challenging year. Northern California Numismatic Association and California State Numismatic Association awards were not presented at the banquet but will be awarded at a future date at an in-person club meeting. Banquet games included guessing the number of Jelly Bellies in a gumball machine, guessing the monetary value of a jar full of assorted coins decorated with an

origami dollar bill butterfly, and BINGO and blackout games with coveted 2021 silver American Eagle - Type 2 prizes. A fair number of our club's 2021 silver medals of DeAnza College's Flint Center for the Performing Arts were sold at the banquet. Photos of this year's banquet will be posted shortly in an album to our club Facebook page. We look forward to next year's banquet and hope more of our members will be able to join us!

2021 Silver Club Medal Now Available!

by: Suzy Tr.

This year's medal was designed by our club Vice President, Suzy Tr. The design is of the Calvin C. Flint Center for Performing Arts at DeAnza College in Cupertino, CA, which is slated to be demolished. It was named after the Foothill-DeAnza Community College District Superintendent and first Chancellor. The Flint Center was the campus venue for Broadway shows, ballet performances, celebrity & author talks, orchestral concerts which opened in 1971 and held its last event, Palo Alto University graduation, on June 22, 2019. The Flint Center for the Performing Arts was the place where the young Apple co-founder Steve Jobs unveiled the first Macintosh computer in 1984. Singer Johnny Cash, actor Cary Grant, former British Prime Minister Margaret Thatcher, and every U.S. president since Richard Nixon except George W. Bush and Donald Trump took to the stage over the decades.

This medal is 1 ounce of 0.999 fine silver. Don't miss your opportunity to own one of these beautiful medals for \$35, shipping extra. See Order Form attached to this newsletter.

There's Still Time to Pay Your Dues!

But be sure to do so very soon to keep your club privileges. Dues are only \$5 for adults and \$1 for youth. You can send in a check to our PO Box listed in the masthead. To pay by PayPal, please contact the Club President at cupertinocoinclub@gmail.com for instructions.
